MS. MURPHY: And exhale. [Exhales deeply] Breathe again. [Inhales deeply] Exhale. [Exhales deeply] Now, if I tell you a story about how I went to school with all these people, will you still believe me, or are you too old now? Remember when I'd have somebody come in, and I'd say, "Oh, I went to school with them; be nice"?

GEORGE: Yes.

MS. MURPHY: I didn't go to school with any of them, but you still need to be nice. Yes, it's true, Jason. I did not go to school with all those people, but it was just my way of relaxing you guys.
