

AUDIO TRANSCRIPT - SAMPLE

Interview

16:32:43 1 Q. Can you tell me your name and how long you have

16:32:44 2 worked at Ford?

16:32:44 3 >>I'm John James and I've been at Ford about eight

16:32:48 4 years.

16:32:48 5 Q. And tell me your name and your title. I'm sorry.

16:32:52 6 Say your name again.

16:32:53 7 >> My name is John James and I'm junior

16:32:55 8 design coordinator for WQ and OP Ford design.

16:32:59 9 Q. Excellent. Tell me a bit about what you do.

16:33:04 10 Well, I mean, my job entails being the

16:33:09 11 creative end of the design business of a team.

16:33:12 12 I have about three people working for me. And we

16:33:14 13 take care of facelifts for current cars. More

16:33:18 14 importantly, we project probably five or six

16:33:21 15 years ahead with new car programs for WQ and

16:33:24 16 OP. And we dream up the shapes, one from the

16:33:27 17 creative phase of one of paper through to the

16:33:30 18 initial clay modeling at full-size. And we take

16:33:32 19 it right through to the release of a surface

16:33:35 20 data to the engineering team and eventually to

16:33:37 21 the tooling manufacturers where the metals make
